Administration Report

OF THE

134985

THANADEVLI STATE

FOR THE YEAR 1909-1910.

CHAPTER I.

General and Political.—The area of this Taluka is about 94 square miles and its population number 11568 souls according to the census of 1901. The gross revenue (based on an average of the past five years) is about Rs. 119045-4-2; tribute payable to Government is Rs. 5653-5-6, while the Zortalbi payable to Junagadh State amounts to Rs. 747.13-4 per annum (Please vide Appendix 26). Appendix XXVII will show that the name of the Chief is Laxman Meram aged 62 years ; he belongs to the Kathi Vala family.

In accordance with the sanction and approval of Government as conveyed in A. G's letter No. 850 dated 18th February 1907. Amrawala has been selected and adopted as an heir, to the chief, who is studying at present, in the Rajkumar College at Rajkot (vide appendix XXVII). Durbar Shri has four Ranees (wives) now of Jebalia, Dhadhal and Charan families.

Owing to the demise of Vala Vajsur Punja of Jetpur though a formal visit to His Excellency the Governor of Bombay had to be postponed, yet very luckily a visit was paid to His Excellency, at the Rajkot Junction Station when leaving for Jamnagar on the 20th January 1910.

Major J. R. Carter, the Political Agent in Sorath Prant paid a formal visit, in his usual annual tour to Thanadevli in March last, with Mrs. and Miss Carter who was good enough to distribute prizes to the students of the Vernacular Jubilee School here.

This Taluka was permanently raised to 3rd class powers. Appendix I will show that the chief Karbhari of this Taluka is Mr. Chaganlal Samaldas who belongs to the Patvari family of Dhandhuka under Ahmedabad Zilla, who first joined this Taluka on the 5th November 1896.

CHAPTER II.

Administration of land.—No regular survey or settlement has been made in this Taluka and the Ryots have never complained as regards the recovery of Vaje and Vighoti from them, although the change made for demand has been continued for the last four years. No remissions of Nuza-rana have been made this year.

The temples consecrated to Shri Raghunathji and Shri Mahadevji have been built at Thanadevli where Sadavrat (daily food) is given to the poor and helpless and the village of Gantian is given in charity for its perpetual maintenance.

Boundary settlements have already been made through the Agency, and correspondence has yet been going on for drawing lots of the late Bhojwala's Pati in Jetpur, as also for the exchange of Vala Surag's (now represented by his son Muluwala) Pati in Chital, which has been made with that of our's in Samadhiala, and the matter is still pending.

The downpour of rain was as desired, and the outturn of crops was satisfactory but the extraordinary dews on cotton plants made the outturn below its half usual produce. The needy cultivators were given grains from the Durbari Kothar, but the major portion was recovered this year.

CHAPTER III.

PROTECTION.

Legislation.—The spirit of criminal and civil laws in force in the

Kathiawad Agency is followed and there are also local acts, such as Shikar Gambling and an act for prevention of cruelty to animals (Please Vide appendix II).

Military force.—There is no trained Military force or artillery, and Appendix III therefore requires no comment.

Police.—20 Policemen are kept in this Taluka, they guard the jail and the village of Thanadevli, which is the Head Quarter of the Taluka. They are equipped with rifles and bayonets and are trained in drill, they assist in detecting any offence which may have been committed at Thanadevli.

The annual cost of these men amount to about Rs. 2000 besides dress &c. just as the last year (Vide appendix IV). There are two Fouzdars in Devalia and Mendarda divisions respectively, and besides these, there are 12 Police Patels and 73 Pasaitas, some of the latter hold land, while others are paid in cash.

Appendix V will show that 25 offences were committed by the Police last year, while 22 have been committed for trial this year. 27 culprits were arrested last year, while 25 have been apprehended this year. Of the 25, that were sent for trial, 14 were convicted giving a percentage of 92.6 for the last year and 56.0 for the present year.

Appendix VI relates to the value of stolen property and its recovery. Last year the value of stolen property amounted to Rs. 1132-8-6 while it was Rs. 590-7-9 for the current year. The recovery was Rs. 265-2-0 for the last year and Rs. 231-14-0 for the present year giving a percentage of 23.4 and 39.3 respectively.

It is to be noted in connection with the above, that some gangs of Duffers were ravaging the crops and animals as well as other property of this Taluka for the last 3 years and although repeated notices were given by the Devalia Fouzdar and even by the Agency officers, they did not remove their camp from round about Mota Devalia and it was at last on the 18th November last, that when some Duffers who had encamped within Pipalia limits, a village belonging to Azam Ala Vala of Bilkha, committed a theft of a she-goat and some utensils worth Rs. 4-8-0 within our village of Fulzar, that the Devalia Fouzdar went to Pipalia next morning for enquiry, and when he saw that the Duffers had just decamped therefrom, and were in close proximity, he pursued them after informing the Police Patels of the intervening villages, but before the latter could approach the Fouzdar he and the Duffers came face to face, and the result

was that 2 of our village Policemen were shot dead and about 11 or 12 were severely wounded within Nadala a village under Chital limits, that some Duffers have been captured by the Jetpur as well as our Police and their trial is still going on.

It is respectfully submitted that unless stringent measures are taken by the Agency, the Duffers will not only not remain quiet, but will always harass the whole of Kathiawad. They should, in fact, be banished, and should not be allowed to enter again in Kathiawad, for they are so lawless people that even the Agency officers have often taken notice of them to drive them away from Kathiawar.

It will appear from Appendix VII that 35 offences of the last year being disposed of, there was none in balance, but of the 29 offences committed for trial this year, there were 32 culprits being apprehended, out of which 14 were convicted and 13 being discharged, 5 have been left awaiting trial,

Criminal justice.—There is one Huzur Appellate Court, and Sessions Court, and one Nyayadhish Court for criminal and civil justice making in all three Courts.

Appendix VIII will show that 29 offences were reported, of which 25 have been disposed of by the Nyayadhish Court and 4 offences remain to be dealt with. Of the 32 culprits, 25 were apprehended by the Police, 3 upon warrant and 4 on summons, of the 25 culprits that were arrested by the Police, 4 were extradited. As said above, 11 were discharged, 2 were acquitted and 14 convicted, leaving 5 persons for trial. There has neither been any increase or decrease in the number of established courts in the Taluka.

Appendix IX will show that no appeal was presented to the Huzur Court against the decisions of the Nyayadhish Court and it requires no comment.

Civil justice.—There is one Appellate Court and one Devani Nyayadhish Court, the constitution whereof is just the same as before. The Nyayadhish has the power to hear suits upto Rs. 5000, while the Appellate Hazur Court has the power of hearing original suits upto Rs. 2,0000 and of disposing of appeals on the decisions of the Nyayadhish Court.

It will be seen from Appendix X that the opening balance for the present year was 5 ; and 57 suits were filed in the current year making a total of 62, of which 50 being disposed of, leaving a balance of 12 for the

next year; of the 57 filed this year, the aggregate value was Rs. 3437-4-6, and that of 50 suits disposed of during the year was Rs. 3343-7-5. The number of suits under Rs. 100, was 49, and that of under Rs. 500, 8, of the 50 suits disposed of 2 were exparte, 20 by compromise, 4 were struck off the file while 24 were disposed of otherwise.

Looking at Appendix XI, it will be seen that 50 applications for the execution of Decrees of the aggregate value of Rs. 4331-9-3 were on the register, in which 19 were of the value of Rs. 1899-14-10 of the last year and 31 of the current year of the value of Rs. 2431-10-5; out of this 36 of the value of Rs. 2136-2-0 were disposed of leaving a balance of 14 of the value of Rs. 2195-7-3.

9 of these were of under 6 months, and 5 of above one year.

Appendix XII will show that no appeal of the past year was in balance and one appeal of the value of Rs. 170-0-0 that was presented this year was also disposed of.

Extradition.—The accused from other states are extradited through the Agency, and special agreements are made with the states of Junagadh and Morvi for the same. 1 culprit was found within Junagadh limits, and the other from Rajkot limits; while 2 others from the Agency limits of Jetalsar C. S. and Bildi under Babra, they were regularly demanded and handed over for trial as mentioned in appendix VIII. There is no hitch as regards reciprocity on either side.

Prison.—There is one Jail at Thanadevli. 9 prisoners were newly admitted this year, the maintenance and clothing expenses amounted to Rs. 175 (Please see Appendix XIII).

The building is just close to the town gate in the open air, and a Doctor looks after the health of the prisoners and the Jail Superintendent has to look after their diet and clothing arrangements.

A reference to Appendices XIV and XV will show that no document for registration was presented this year and no fee was therefore realized.

Municipal administration.—There is no special department in this Taluka and Appendix XVI therefore needs no remark, but special care is taken to keep public buildings and the villages clean.

CHAPTER IV.

Production and distribution.—It will be seen from Appendix XVI

that 24 Inches and 62 cents of rain fell at Thanadevli, and nearly the same quantity of rain fell in other parts of this Taluka, but the falling of dews on cotton crops damaged the produce to above half its normal rate.

The average of last five years is 20 Inches 70 Cents and the produce can be estimated at 14 annas in a rupee this year. The weather was generally good throughout the year.

The people had enough of labour and the usual wages were from two to four annas each. The rate of staple food grains was nearly the same as that of last year. The export of wheat and gram seemed to be rather excessive (Vide Appendix XVIII). There being sufficient labour for the people, no relief work was opened.

There is a part of Gir forest in the Mendarda division of this Taluka and no reserved forest is therefore kept, but in the Khara of Mota Devalia babul trees are reared and properly taken care of.

As regards industrial enterprise and trade, there is a Ginning Factory in working order at Mendarda, the condition of trade is generally good.

Appendix XIX will show that besides construction of a state Kutchery and repairs to other state as well as public buildings, a metalled road to Vadia-Devli station newly opened is under construction. All these works cost above Rs. 6144-5-11 upto the end of the year under report.

Over and above this sum Rs. 1500 have been paid towards the water works at the Jetalsar Civil Station for public use, which is included in the item No. 2 (Appendix XXII), making in all Rs. 5100 paid in the two previous years for the same work.

There are two branch post offices, one at Thanadevli and the other at Mota Devalia, besides there are letter boxes at Gundala, Devalki. Khajuri, Haliad and Matirala, as in the last year.

There is no mint in the Taluka.

The condition of this Taluka as well as that of its subjects is generally good. Last year the seasons were as favourable as desired.

Appendix XX will show the agricultural condition of this Taluka, the stock has increased to some extent owing to the absence of any contagious disease amongst the live stock.

Appendix XXI relates to the consumption of liquor, opium &c. opium is sold by the Jetpur Taluka Court, so mention is simply made of Ganja. There are 2 shops in this Taluka, and the income realized for its annual farm is Rs. 35 only.

CHAPTER V.

Revenue and finance.—The gross total revenue for the current year is about Rs. 1,27,568-9-6 as compared with Rs. 1,16,948-1-5 of the last year. Please see Appendix XXII.

This Taluka has neither Government Loan nor guaranteed debt.

CHAPTER VI.

Vital statistics.—There is a Dispensary at Thanadevli. 2808 out-door patients were treated this year, and the cost of medicine &c. amounted to Rs. 1410-0-0 which include supervision charges of Doctor Dinshah amounting to Rs. 600. The daily average of patients was 40.0 (Vide Appendix XXIII).

It will be seen from Appendix XXIV that there were 428 births and 205 deaths this year with an increase of 85 in the birth and decrease of 27 in the death.

The village Police Patels register such births and deaths and the registers are scrutinized by the Foujdars and the Nyayadhish.

300 Persons are vaccinated this year.

Plague.—It is gratifying to note that there was neither plague nor cholera this year in the Taluka.

CHAPTER VII.

Education.—There are three vernacular schools at Thanadevli, Mota Devalia and Materala where 209.90 boys including some girls are being taught upto 7th standard (Vide Appendix XXV). The annual expenditure amounts to Rs. 1192-4-0.

Besides this, the expenses of Taluka schools, both English and Vernacular, Girls schools &c. under Jetpur Taluka Court are being paid falling to our share.

One boy and a girl of the Jetpur Taluka school receive a monthly scholarship of Rs. 2 each.

The school fees of this Taluka have been remitted.

CHAPTER VIII.

Miscellaneous.—There are neither a library nor a printing press in this Taluka.

Prompt measures are taken to destroy venomous beasts such as tigers &c. whenever found in our Gir forest of Mendarda district. A prohibitory notification for shooting lions without our permission in our Mendarda Gir is published in the Agency Gazette.

In conclusion, Appendix XXVI and XXVII need no further remarks for the particulars therein stated have already been mentioned in Chapters I, IV, VI and VII.

A N N U A L
Administration Report
OF THE
THANADEVLI STATE
FOR THE YEAR 1912-1913.

Chapter I.

GENERAL.

1. This Taluka of Thanadevli, although originally a part and parcel of Jetpur Taluka, was first separated in 1880 by an agreement between the shareholders of Jetpur under the supervision of Major A. M. Phillips, the then Political Agent Sorath Prant and in 1889 it was declared as a capital of the Taluka and in A. D. 1894 this Taluka was raised to the Third class chiefship and was made permanent in 1909.

2. It has now in all 22 independent villages and joint shares in other 6 villages of Jetpur.

3. Its area is about 94.28 square miles and has a population of 11942 souls according to the census 1911.

4. The gross revenue of this Taluka (based on an average of last five years) is Rs. 147341-12-2; the annual tribute payable to British Government is Rs. 5653-5-6 and Zortalbi to Junagadh amounts to Rs. 743-13-4 (vide Appendix XXVI.)

5. It receives as Sudhara Varad from the subordinate Girassias of Motadevalia, Dhudhala, Ghugharala, Khajuri and Targhari and Udhad from Hathigadh under Babra and Simashi under Junagadh; it has also to pay as Mamuli from Chital and Gheekori from Mendarda to Junagadh.

6. A long standing dispute i. e. since 1863 A. D. known as Bardia case was amicably settled with Junagadh, by which Rs. 47000 as arrears

of mesne profit and 23000 as interest were paid by Junagadh to this Taluka and Chital with 12 Santis of land.

7. The exchange of Samadhiala Pati with that of Chital with Azam Mulu Vala was under negotiation, but it has failed and will it is hoped be settled soon by the Agency.

8. The Revenue of the village of Ghantian is reserved for perpetual charitable maintenance of the temples consecrated to Shri Ramchandraj and Shri Mahadevji at Thanadevli where daily food is given to the poor and helpless.

10. Bai Ranbai, wife of late Bhojwala who resided in Samadhiala paid the debt of nature on 10th March. She was the only surviving recipient of State allowance as representing the lines of late Valas Bhoja and Manasia, and the State gets 15 Santis of land by her death.

DOMESTIC.

11. Darbarshri Luxmanvala had a severe attack of acute pain in the kidneys in February last, but by the grace of Almighty and under the treatment of Doctors Dinshah Barjorji and Narsidas, his health has greatly improved.

12. He has four Ranees.

13. He is aged 65.

14. Kumarshri Amravala of Luni who is adopted as an heir by Government orders conveyed in A. G.'s letter No. 850 dated 18th February 1907 has now been allowed to leave Rajkumar College and is being trained in administration of the Taluka by his father Durbarshri Laxmanvala and a tutor and companion by name Mr. Mohanlal Jasraj who is a graduate of the Bombay University is engaged to educate him in other matters.

POLITICAL.

15. A great Durbar was held at Rajkot by J. Sladen Esquire, I. C. S. the Agent to the Governor, Kathiawar, on the 17th December 1912 to invest Durbarsaheb with the Insignia of C. I. F. which H. I. M. the Emperor was gracious enough to confer at the coronation Durbar at Delhi in 1911. Many Chiefs and nobles were invited, and in connection with the festivities, a great garden party was given by Durbarsaheb in the Cannought Hall where about 2000 guests including Europeans officers, Chiefs, Nobles, Rajkumars and other gentries were invited. The Agent was good enough to speak in enlogistic terms about the Durbarsaheb's good administrative, liberal and noble policy, in the following terms (vide Extra ordinary Kathiawar Agency Gazette dated 20th December 1912.)

+ × + + +

You have been informed in the invitation sent to you of the principal object with which you have been asked to attend this Durbar. The Chief of Thanadevli Valashri Laxman Meram was unable to attend His Excellency the Governor's Levee in Poona when the recipients of Honours on the King Emperor's last birthday received their insignia from His Excellency's own hands, and by the direction of Government it is my duty to present them with due ceremony.

Throughout the career of Valashri Laxman Meram as Chief, his Taluka has been particularly noted for its good administration. More than 20 years ago, he was complimented by the Political Agent on his policy of giving Aghat leases on liberal terms to his people. During the famine of 1900, his measures for relief received the approval of the Political Agent; he remitted large sums both of Vero and Tagavi, and distributed oil cakes and cotton seeds free. His charitable donations have been numerous in Rajkot Jetpur and elsewhere.

Early in his career his good administration was recognized by the State being raised to the Third class as a personal distinction (in 1894) and in 1909 this promotion was made permanent. The rule of primogeniture has been sanctioned in this Taluka and he was given the special privilege of being allowed to choose and adopt an heir.

The presence here of most of the Kathi Chiefs and Talukdars and of the Chiefs of Rajput States and Talukas in this part of the Province is a gratifying indication of their appreciation of the latest honour which has been conferred on our old friend and their brother Chief.

× + + ×

16. The Rajkot Mahajans and the citizens of Rajkot C. S. had taken prominent part in feeding cows and other dumb animals at a great sacrifice of their money and zeal and Durbar Shri Luxmanwala had also assisted them by giving free grass for the cattle, and therefore, taking advantage of this occasion, they presented an address to Durbar Saheb under the presidency of the Thakore Saheb of Rajkot and entertained him at an evening party in the Rajkot Hindu Gymkhana, in constructing which Rs. 2700 were given by Durbar Shri and it is therefore named after him.

17. Amongst the many donations that were then made, the Chief were as under Rs. 2000 were subscribed for the Babra High School and Rs. 500 for repairs of Dharmasala on the River Aji.

18. Mr. C. Mayne, Principal Rajkumar College paid a flying visit to Thanadevli in September last.

19. Lieutenant H. W. Bell paid his annual official visit in January last and stayed for 4 days.

He visited the School, Dispensary, Jail &c. and prizes were distributed to the school children by Mrs. Bell.

20. The Judicial Officer Mr. French had also encamped here for about 5 days in February 1913.

21. Appendix I will show that there is no change in the personal of high officer—in other words Mr. Chhaganlal Patwari occupies the place of Chief Karbhari for the last 17 years.

Chapter II.

ADMINISTRATION OF LAND.

22. No regular survey or settlement is made in this Taluka, but the boundary disputes with the surrounding States have long been settled by the Agency.

23. The advances that were made as Tagavi to cultivators owing to scarcity in the last year, have been remitted to the extent of half the amount as a mark of favour to encourage cultivators; the amount thus remitted will amount to about Rs. 20000.

24. The culturable area of this Taluka, as it stands at present, is 33242 acres, number of wells are 508 and there is not much waste culturable land, when we take into consideration the $\frac{1}{3}$ part of this Taluka Mendarda division—bordering on the Gir forest.

Chapter III.

LEGISLATION.

25. The spirit of criminal and civil laws in force in the Kathiawar Agency is followed and there are also local acts such as gambling, an act for the prevention of cruelty to animals, registration act and Shikar act (please see Appendix II).

26. *Military force*—Appendix III will show that there is no trained Military force or artillery, but there are two guns to be used when any Political officer arrives at Thanadevli.

27. *Police*.—There are 20 Policemen at Thanadevli who guard the Jail and the town of Thanadevli. They are equipped with rifles and buyonets and are trained in drill. They assist the Foujdar in detecting any offence which may have been committed at Thanadevli.

28. As shown in Appendix IV their annual cost amount to about Rs. 2000 besides dress &c. There are two divisional Foujdars at Motadevalia and Mendarda.

29. There are in all 13 Police Patels and 49 Pasaetas in different villages. Some of the latter hold lands while others are paid in cash.

30. Appendix V will show that cases involving 29 offences were committed by the Police last year, while 37 have been committed this year and one is to be committed when the accused is handed over by the Bantva Nyayadhish. 41 accused were arrested last year and 57 have been apprehended this year. Of the 57 that were sent for trial, 33 were convicted giving a percentage of 57·8 in comparison to 56·09 for the last year.

31. Appendix VI relates to the value of stolen property and its recovery. Last year the value of stolen property amounted to Rs. 245-10-0 while this year it was Rs. 580-12-3. The recovery was Rs. 208-7-0 for the last year, Rs. 478-5-3 for the current year, giving a percentage of 85·06 and 74·02 respectively.

32. Looking to the number of offences reported, culprits apprehended and the stolen property recovered (Vide Appendices V and VI) it will appear that Police was always alert on its duty.

33. Appendix VII will show that there were in all 48 offences including one of ; Bantavadevli to be disposed of; the number of culprits was 64. All of these offences except one were disposed of. Out of the 64 culprits 31 were discharged and 33 convicted.

34. *Criminal Justice*.—There is one Huzur Court appellate, Sessions Court and one Nyayadhish Court for criminal and civil justice making in all 3 Courts as usual.

35. Appendix VIII shows that 48 offences were reported and disposed of as mentioned above in Appendix VII. Of the 64 culprits, 55 were dealt with by the Nyayadhish Court, 2 by the Sessions Court, and 7 by the Appellate Court, with the result that 28 were discharged, 3 acquitted and 32 convicted and one remanded for further trial.

36. From Appendix IX, it will be seen that 7 appeals were registered in which 7 persons were involved. Decisions of the lower court in 4

cases were confirmed, one amended, one reversed and one sent for further trial.

37. *Civil Justice*.—There is no change in the constitution of tribunals, for there is one Appellate Court, and one Dewani Nyayadhish Court as in the last year.

38. Appendix X will show that the opening balance for the present year was 3, and 54 being registered in the year under report, the total came to 57, of which 43 being disposed of, there remained 14 claims in balance. Of the 54 suits filed in the current year the aggregate value was Rs. 3981-15-6 and that of 43 disposed of was Rs. 1649-9-3.

The number of suits under Rs. 100 was 46 while that of under Rs. 500, 6 and that of above Rs. 1000, was 1 of the 43 disposed of, 1 was ex-parte, 15 by compromise, 3 were struck off the list, and 24 were otherwise disposed of.

39. A glance at Appendix XI relating to the execution of decrees will show that 48 applications of the value of Rs. ⁵¹²⁵⁻⁸⁻²~~4059-6-10~~ were on the register, of which 35 of the value of Rs. ²⁷⁹³⁻¹⁻⁴~~1705-6-4~~ were disposed of, leaving a balance of 13 of the value of Rs. ²³³²⁻¹⁻⁶~~2354-0-6~~. All of them were of under 6 months.

40. No appeal against the decree of the civil court was filed this year, and Appendix XII therefore needs no remark.

41. *Extradition*.—6 accused were extradited from the State of Junagadh and Taluka of Bantwa, and 1 from Bantwa is ordered to be surrendered. No special arrangement with other State except with the States of Junagadh and Morvi, has been made during the year.

42. *Prison*.—There is no addition in the number of Jail; the one at Thanadevli is looked after by the Superintendent of Jail and the Doctor.

There are 13 new admissions making in all 23. Of these 19 being released, 4 remain at the end of the year. The maintenance and clothing charges amounted to Rs. 360 (Please see Appendix XIII).

43. Appendices XIV and XV will show that 2 mortgage deeds of the value of Rs. 451-8-0 were registered during the year under report, and Rs. 15-0-9 were realized on account of fees.

44. *Municipal administration*.—There is no special department in this Taluka, but special care is taken to keep public buildings and the villages clean so as not to admit of any epidemic disease, Appendix XVI therefore requires no remark.

Chapter IV.

PRODUCTION and DISTRIBUTION.

45. It will appear from Appendix XVII that there was a copious shower of rain, and Inch as 38-38 Cents of rain were registered at Thanadevli and nearly the same quantity of rain fell in other parts of this Taluka. There was therefore bounty of produce in Agtar and Pastar crops; and the cultivators were not only able to pay the State demands, but they almost repaid the Tagavi which they had borrowed from the Shaukars under State Guarantee.

The average of last five years is Inch as 26-61 Cents and the produce is estimated at 14 annas in a rupee.

No regular relief work was necessary, but those people who were employed on public works and grass cutting &c. used to get from 0-2-9 to 0-4-0 per day as their wages.

46. The price of staple food was nearly the same as in the last year vide Appendix XVIII.

47. There is no necessity of keeping reserved forest as there is a Gir forest in some part of Mendarda division.

48. The condition of trade was generally good throughout the year, for importation of goods was briskly going on on account of the effects of scarcity.

49. Appendix XIX will show that about eleven thousand rupees were spent on public works, the half of the amount being used in sinking and constructing wells. The buildings that were under construction last year, are now nearly completed.

50. There are two branch Post Offices at Thanadevli and Motadevalia and there are also letter boxes at Gundala, Devalki, Khajuri, Haliad and Matirala as in the last year.

51. There is no mint in this Taluka.

52. Appendix XX needs no special remark, for the cattle did not suffer for want of fodder.

53. Appendix XXI relates to the consumption of liquor opium &c. Opium farm is sold by the Jetpur Taluka Court, so mention is simply made of Ganja, of which there are two shops in this Taluka, and the income realized this year comes to Rs 324-2-3.

Chapter V.

REVENUE AND FINANCE.

54. Appendix XXII shows the items of income and expenditure. The gross revenue for the current year St. 1968 is about Rs. 169783-0-3 as compared with Rs. 167899-13-5 of the last year; the increase is truly-speaking nominal, for it includes the big items of Rs. 35000 as mesne profit of Bardia, and Rs. 63175-7-1 from the sale of lands; on the other hand the expenditure has far exceeded owing to high rates in staple food, charities, and other State demands, but they were re-couped either by the sale of lands or from the Zenana Treasury.

It will thus appear that this Taluka had neither to ask for Government loan, nor to incur outward debt.

Chapter VI.

55. *Vital statistics*.—There is one dispensary at Thanadevli, in which 3305 out-door patients were treated this year; the daily average of patients was 50. The annual cost of medicine and the permanent establishment charges &c. of the dispensary amounted to Rs. 998-5-0 (Vide Appendix XXIII).

56. Appendix XXIV shows that 393 births and 342 deaths were registered last year. There was an increase in both the numbers giving percentages of 32.9 and 28.6 respectively on an average of 1000 souls.

57. 442 persons were vaccinated this year.

58. *Plague or epidemic disease*.—There was no appearance of any epidemic disease and the increase in death rate can only be accounted for on natural circumstances.

Chapter VII.

EDUCATION.

59. The number of Vernacular schools at Thanadevli, Matirala and Motadevalia is the same as in the last year. The number of boys being taught is 243, and the expenditure amounted to Rs. 1172-14-3. The number is on the increase owing to free education and the encouragement given by Durbar Sahab on several occasions in the form of prizes &c.

60. besides this, the expenses of Taluka schools, both English and Vernacular, Girl schools &c. under Jetpur Taluka are being paid as they fall to our share in Jetpur, Mendarda and Chital.

61. 2 Scholarships of Rs. 2 monthly are given at Jetpur to a boy and a girl.

Chapter VIII.

MISCELLANEOUS.

62. There is no library in this Taluka, but the dailies such as Times of India, Kathiawar Times, Sanj Vartman &c, are subscribed.

63. There is no printing press here.

64. Appendices XXVI and XXVII need no further remarks, as they have already been commented above in Chapters I, V, VII.

65. In conclusion, it is satisfactory to note that the prosperity of the Taluka has remained as it was before by following the old practice of storing grain and grass which saved the people and animals, that the almighty God improved the health of Darbarsaheb, and the Political relation with the British Government has been strengthened by the investiture of the insignia of C. I. E. to Durbarshri by H. I. M., and the return of Kumarshri Amravala from the Rajkumar college after completing his studies there to take advantage of political and administrative training under the fostering care of his father.

ANNUAL

Administration Report

OF THE

Thanadevli State

FOR THE YEAR 1913-14.

CHAPTER I

1. This Taluka of Thanadevli was, as mentioned in the last year's report, declared permanent as a Third Class Taluka in 1909 and was originally a part and parcel of the Jetpur Taluka. Its villages are bounded on all sides by Junagad, Bhavnagar, Jamnagar, Gondal, and the Amreli-Mahal and is divided into four divisions namely Thanadevli Motadevli, Matirala and Mendarda. It contains 23 Swang villages, and holds Patis in 5 joint villages of Jetpur Taluka.

2. The area of this Taluka is about 94.28 square miles, and has a population of 11942 souls according to the census of 1911

3. The gross revenue of this Taluka (based on average of last 5 years) is Rs. 164365-3-1, the annual tribute payable to British Government is Rupees 5653-5-6 and Zortalbi to Junagadh amounts to Rs 749-13-4 [Vide appendix XXVI.]

4. It receives as Sudhara Varad from the subordinate Girassias of Motadevli, Dudhala, Ghugharala, Khajuri and Targhari, and Udhad from Hathigodh under Babra, and Simasi under Junagadh; it has also to pay as Mamuli from Chital and Ghikori from Mendarda to Junagadh.

5. The execution of Bardia settlement with Junagadh was completed as regards land by our receiving 111 acres of land under our new Haliad

from Junagadh's old Haliad. In order to curtail disputes as regards the quality of land, and to facilitate the handing over its possession by Junagadh to us, we maintaining the same amicable spirit, had to let go about 10 acres of land from 121 acres named in the amicable settlement.

6. It has been announced by both the States to the Political Agent Sorath that the exchange of Samadhiala Pati with that of Chital of Durbarshri Mulu Vala will be brought about very shortly.

7. The village of Ghughrala is consisted of two separate patis, each belonging to this Taluka and Vadia. The jurisdiction over the whole village was vested with the Jetpur Taluka Court, but according to the Partition agreement of 3-8-1879, the Agent to the Governor was pleased to take up the jurisdiction from the Taluka Court and to invest each Taluka of Thanadevli and Vadia with jurisdiction over its own Pati in the village by his No. 4665 dated 8th August 1913.

8. The revenue of the village of Ghantian is reserved for perpetual charitable maintenance of the temples consecrated to Shri Ramchandrajji and Mahadevji at Thanadevli. Daily rations are given to the needy poor and helpless.

9. Political appeals as to the question of jurisdiction over Nawanvadi and the ownership of Dhār of Bhila with Durbarshri Mulu Wala were pending before the Agent to the Governor, in Kathiawar, but to curtail the dispute, both the parties withdrew their appeals.

Domestic.

10. Durbarshri Luxman Vala exercises the powers of a third class Chief and is in excellent health.

11. He is aged 66.

12. He has four Ranees and Kumarshri Amrawala takes part in revenue and political affairs whenever necessary.

Political.

14. Durbarshri had an invitation from Captain Meek, Political Agent Gohelvad to open the Babra Middle School, but as he had a similar engagement on the same day at Kotda Sangani to grace the installation ceremony of Thakoresaheb Hematsingji which took place on the 2nd of March 1914, Kumarshri Amrawala went to Babra and assisted Captain Meek in opening the school.

There Kumarshri Amravala addressed the Babra Talukdars and others pointing out in his speech the advantages of education and impressing upon the audience the necessity of imparting education, especially to the young sons of the Talukdars.

15. Twentieth June was observed as children's day when children were fed with choicest sweets.

16. Durbarshri Laxmanvala is always anxious to give general administrative training to Kumarshri Amravala, and in obedience to his desire, Kumarshri went into the district, and visited each and every village of the Taluka making himself acquainted with the people, listening to their grievances, and reported them to Durbarshri for redress. He also paid special attention as regards cultivation knowing it to be the chief source of revenue.

17. Kumarshri was present at the annual races at Rajkot, and had the opportunity of seeing political officers of the Agency, besides Major Pottinger, the Political Agent, Cutch, who was once in Sorath Prant and is an old friend of Durbarshri Luxmanvala.

18. A decent sum of Rs. 5000 was subscribed by Durbarshri towards the fund opened by Major W. M. P. Wood, for the Hostel at Girassia School at Wadhwan.

19. Lieutenant H. W. Bell paid a visit to Thanadevli with ~~Mr.~~ Bell in the beginning of March, and during his stay ~~Mr.~~ Bell was pleased to distribute prizes to the School boys.

20. The popular and energetic Agent J. S. Sladen Esquire was our guest for 2 days when he was good enough to express his satisfaction with all he saw here.

21. Mrs. Sladen graced the Jubilee school with her presence and distributed prizes.

22. Mrs. Sladen was greatly pleased with the poetical description and the picture of Mount Girnar made of clay and stones depicting different paths and walks, prepared by the School Master.

23. Appendix I will show that Mr. Chhaganlal Patvari occupies the post of chief Karbhari for the last 18 years and there is thus no change in the personal of high officer.

CHAPTER II.

Administration of land.—

24. No survey or settlement is made, but the boundary disputes with the

surrounding states and the internal boundaries with the lands of Mulgirasias have long been settled by the Agency, and whenever such occasion arises as to the boundary marks being displaced or removed, the matter is settled either amicably or through the Agency Surveyor.

25 The culturable land including 111 acres received from Junagadh on account of the Bardia settlement mentioned above, amounts to 33353 acres; the number of wells-both Kucha and Pucca built-comes to 564, and there is not much cultivated land lying waste, when we take into consideration $\frac{1}{3}$ of the land in Mendarda division bordering on the Gir forest which can only yield grass in abundance.

ANNUAL ADMINISTRATION REPORT

OF THE

THANADEVLI STATE

FOR THE YEAR 1914-15.

CHAPTER I.

1. This Taluka of Thanadevli, though declared separate by Govt. it holds its allegiance to its parental estate of Jetpur Taluka, for it has Patis in 5 joint villages such as Chital, Mendarda, Jetpur and Samadhiala and a share in Dangawadar. It has 23 Swang (independent villages) forming four divisions namely Thanadevli, Motadevalia, Matirala and Mendarda. It is geographically situated in the southern part of the Penninsula of Kathiawar and is bounded on all sides by the different villages of the States of Junagadh, Gondal, Jamnagar, Bhavnagar and the Amreli Mahal of Baroda.

2. The area of this Taluka is about 94.28 square miles and has a population of 11942 souls according to the census of 1911.

3. The gross revenue of this Taluka (based on an average of 5 years) is Rs. 180300-7-0 the annual tribute payable to British Government is Rupees 5653-5-0 and Zortalbi to Junagadh amounts to Rs. 747-13-4 (Vide appendix XXVI).

The levy of Sudhara Varad from the subordinate Girassias of Motadevli, Dudhala, Ghughrala, Khajuri, Targhari, Lunki, Pania, Devalki and Mendarda and Jama from Hathigadh under Babra, and Udhad from Simasi under Junagadh is just the same as in the last year, it has also to pay Mamuli from Chital and Ghikori from Mendarda to Junagadh.

4. The execution of Baradia settlement with Junagadh is complete as mentioned in the last year's report.

5. The exchange of Samadhiala Pati with that of Chital of Dubar-Shri Mulu Vala has not finally taken place, but it is hoped the matter will soon come to an end if the Agency presses for it.

6. The revenue of the village of Ghantian is reserved for perpetual charitable maintenance of the temple of Shri Ramchandraj and Mahadevji at Thanadevli and daily rations are given to the needy poor and helpless.

7. In a boundary dispute re Zinzuda and Khodiar, which was settled by the Political Agent (now Agent to the Governor) in 1880, a request was made to the Prant Officer to have the remaining pillars erected and the Agent to the Governor Kathiawar in appeal has now kindly ordered to have it done.

8. Bai Devbai, daughter of late Ebhal Vala, uncle to the present Chief, enjoyed 8 Santis of land in jivai, but owing to her demise, the land has reverted to the State.

DOMESTIC.

9. Durbarshri Luxmanvala was in good health during the year under report. One of his Ranees by name Rupaliba died in the month of July last, and her nephew (brother's son) by name Magha Nagbhai lives with Durbarshri from his infancy, and in order to preserve always his good status the village of Targhari has been given as giras by a deed of 1-6-1911 to the said Maghabhai and his descendants in perpetuity, the grant being irrevocable. Mention ought to have been made in that year's report, but has escaped notice through oversight.

10. Targhari being a small village, ten Santis of land have been added to it from the adjoining village of Khajuri and pillars erected accordingly.

11. The deed for the grant of Targhari is signed by Durbarshri himself and it also bears the signature of Kumar Shri Amravala.

12. Durbarshri is aged 67.

13. Now he has 3 Ranees.

14. Durbarshri had gone twice to Jetpur to see Mr. J. Sladen, Agent to the Governor and the Political Agent Lt. Col. A. Oldfield when those officers had their camps at Jetpur.

15. He had been to Rajkot twice to see the Agent. His second trip to Rajkot was not quite uneventful, for as he had known through newspapers

the excellent and noble qualities of and the great beneficent services rendered to India by, the late Hon'ble Mr. Gokhale, he willingly contributed Rs. 600 when the list for the fund was brought to him.

16. Kumar Shri Amravala, while on his tour in the Mendarda district, shot two panthers and had many good games at pig sticking in the vicinity of Thanadevli.

17. He had gone to Bombay to pass xmas days.

18. It is sad to note that Kumar Shri Amravala's step mother Kunverbai and her daughter Radhabai, died, during the year under report.

19. K. S. Amravala had been to Jetpur where the Rajkumars of the Rajkumar College were invited to play cricket with the Sorath Team, and arrangements were made for them by this Taluka.

20. Mr. Mayne, the Principal came with the team, but the match was not decisive owing to excessive rain.

21. Kumar shri had, besides subscribed Rs. 300 to the Sorath cricket club on this occasion.

22. Kumarshri has come to age and Durbarsaheb has been lucky to find out a suitable match (better half) for Kumarshri with a Kunveri of Bashia Devait of Galath under Junagadh and the marriage will accordingly be celebrated as soon as possible.

23. Kumarshri is being acquainted with the State affairs and takes lively interest in the administration.

24. The extent of condolence did not end here, for Her Excellency Lady Hardinge having paid the Debt of nature in England on the 11th July 1914; 14th July was observed as mourning and offices were closed on that account and messages of condolence were sent to the Agent to the Governor and His Excellency the Viceroy Lord Hardinge.

25. Vazier Shek Bahavadinbhai who was a fast friend of Durbhashri also died on the 14th of July.

POLITICAL.

26. The Political relations with the British Govt. and the neighbouring States are as cordial as before.

27. The Agent to the Governor Kathiawar informed by wire and a memo; dated 5th August 1914 that a war had broken out between Great Britain and Germany to which a reply by wire was sent to the effect that in view of the critical position of Europe our resources were at the disposal of His Imperial Majesty.

A few days after *i. e.* on the 14th August 1914 another telegram from the Agent to the Governor was received that war had broken out between Great Britain and Austria Hungary and that ordinance No. 1 of 1914 passed by the Government of India and promulgated through the whole of India.

29. A reply of unflinching loyalty was sent to the Agent in reply to the above telegram and in response to the call for Fund, The Viceroy's Imperial Indian Relief Fund, in aid of the Indian soldiers who were killed and wounded in the war, a sum of Rs. 1500 was subscribed by this State.

30. A further sum of Rs 200 was subscribed, to the women's Fund for the sick and wounded opened by Lady Willingdon at Bombay, in the name of late Ranee Rupaliba at the women's meeting held at Jetpur by Mrs. Oldfield.

31. Over and above the said sum when Mrs. Oldfield visited Thanadevli with Lt. Col. Oldfield, a list was circulated, and Darbar Shri, Kumar Saheb, the Officers and subjects subscribed making a handsome amount of about Rs. 565 in aid of Lady Willingdon's Fund.

32. The European war formed a dismal aspect day by day and Turkey also took the side of Germany and in order to fully make known to his Indian subjects the true cause of the War and the necessity of the Great Britain's joining it, His Imperial Majesty sent a message to the following effect.

"That he had no intention of declaring war, he is always ^{for} ~~from~~ the peace; his members tried their utmost but without avail, that his prestige was at stake, and that he had to join with his allies."

Thus the war is still raging it has taken the lives of many British and Indian officers and soldiers and taxed heavily the resources of the Empire and has greatly told upon the trade of the whole world, but be it said that under the benign British rule neither any Indian Chief nor any humblest subject has suffered through the havoc of that ghastly war.

33. It must here be said that Great Britain has ^a ~~lunched~~ in this war simply to hold up its prestige and help its friend the Belgians. They have also tried their utmost to give facility to trade at sea and established the British naval supremacy by keeping afloat safe mercantile ships in spite of all the endeavours of the enemies to check them. It is now known that in spite of the tremendous secret preparation, the German foe has been

made to repent and it is certain before long the enemies will be blockaded in their territories by the allies and forced to accept the terms peace of dictated by the allies. ² /

May God help the just cause and give success to the British arms and peace and prosperity to the country.

34. Durbar Shri has sent a sum of Rs. 3000 to buy an ambulance motor car to place at the disposal of the committee for treatment of the sick and wounded soldiers.

35. Durbar Shri has been always ready to do what he can with regard to the present war. In addition to what has been subscribed above, he has intimated his desire to the Agent to the Governor to contribute Rs. 300 per mensem to utilize it in way Government thinks proper as long as the present war continues.

36. At the meeting of the Karbharies of the states of classes 1 to IV. at Rajkot this Taluka very willingly paid its quota to the Fund of Rs. 160000 raised for supplying to His Majesty the King Emperor, an ambulance fleet of motor car by the States of Kathiawar, although this Taluka has given a separate motor for the same purpose.

37. Lt. Colonel A. Oldfield the Political Agent Sorath Prant paid his usual visit with Mrs. Oldfield to Thanadevli.

38. He visited the Jail, dispensary and school, and was fully satisfied with what he saw.

39. Mrs. Oldfield was good enough to distribute prizes in the Victoria Jubilee School and to mark the occasion Durbar Shri gave a monthly increase in the pay of one of the moniters.

40. Lt. Colonel Oldfield was very much pleased to see and play at the Tennis court prepared for Kumar shri Amravala just on the highway to Vadiadevli Station.

41. It will be seen from appendix I that Mr. Chhaganlal Samaldas Patwari of Dhandhuka is chief Karbhari here for the last 19 years and there is therefore no change in the personnel of high officer.

CHAPTER II.

ADMINISTRATION OF LAND.

42. The measurement of the culturable land of the Taluka amounts to 33167 acres according to the old system, and no special necessity appears

to introduce regular survey or settlement systems as all disputes re boundary with the neighbouring States and the lands owned by mulgirasias have been settled through the agency.

43. The number of wells both the Kucha and Pucca built comes to 567 which supply water to its full extent to the culturable land mentioned above. The large plot of land bordering our Gir forest in the Mendarda division being not reclaimable for the present the other portion of the land needs little improvement.

CHAPTER III.

PROTECTION.

A Legislation.

44. Appendix II will show that the same laws and acts are in force as mentioned in the last year's report except that local rules for the supervision of suspected characters are introduced during the year under report.

B MILITARY FORCE.

45. There is no addition or alteration under this head as mentioned in appendix III.

C—POLICE.
